MUNICIPAL ORDINANCES, RULES, AND REGULATIONS PERTAINING TO PUBLIC HYGIENE.

[Adopted since July 1, 1911.]

ROCKFORD, ILL.

PUBLIC BUILDINGS—INSPECTION OF.

All public buildings in the city of Rockford shall have the air inspected as regarding temperature, relative humidity, and amount of carbon dioxide present. These inspections shall be made at any time of the day or evening when the inspector shall see fit to step inside and test the air. While air shall not contain more than 6 parts of carbon dioxide per 10,000 in a place occupied by people, and that containing 7 parts shall be considered unfit to breathe, still 10 parts may be allowed providing the audience is to remain but a very short time or less than two hours. All schools, jails, and hospitals shall not at any time be found to have the air inside contain 7 or more parts of carbon dioxide. As to relative humidity—from 35 to 60 per cent shall be allowed, largely dependable upon outside weather conditions. All lecture halls, theaters, and schools shall have a temperature of from 65 to 75 degrees. At the time of inspection the management shall be given a report of the findings of the inspector and all condemned buildings shall have written notices served to improve the air by means of better heating and ventilation.

[Regulation, Department of Health, adopted September, 1911.]

SAGINAW, MICH.

MILK—PRODUCTION, CARE, AND SALE.

SEC. 1. No person, copartnership, firm, or corporation shall engage in the sale, delivery, or distribution of milk, cream, buttermilk, sour milk, skimmed milk, or separated milk within the corporate limits of the city of Saginaw without first having obtained a license therefor from the city clerk of the city of Saginaw, as hereinafter more particularly provided, and for the purposes of this ordinance the word "person" shall hereafter mean individual, copartnership, firm, or corporation.

SEC. 2. Every person desiring to engage in the sale, delivery, or distribution of milk, cream, buttermilk, sour milk, skimmed milk, or separated milk within the corporate limits of the city of Saginaw, before doing so shall make application in writing upon blanks provided by the board of health to the common council of the city of Saginaw for a license for that purpose, and in such application he shall state the number or location of the place where he proposes to conduct such business, the names of the person or persons from whom he proposes to obtain milk or cream, their location, the number of cows in such herds, the average quantity of milk which he expects to obtain from each herd; and such written application shall also contain an agreement on the part of such applicant that he will accept a license, if granted to him, upon the condition that it may be revoked at the will of the common council.

Said applicant shall also at the time he makes application for a license as herein mentioned present a written consent from each person from whom he obtains milk, granting permission to the health officer of the city of Saginaw, his representative, or any member of the board of health of said city, free and open access to his or her dairy or premises for the purpose of making an inspection of the premises or herd, and upon
